Dec. 1875
or Jany., 1876

Dear Mr. Samson,

a thousand
thanks for your
admirable photo-
graph. How good
it is! - How kind
of you to give it to
me! - Jenny's to

is good, — tho' less
satisfactory than
your own.

Caroline said
you had something
to say to me about
Photographs. If
it was about my
Photo for Cornell, I
can only say —
"Just as you please"
tell Hank. I prefer-

ed

preferred the one
from Foley's Bas
Relief, as really more
like in one respect:
the nose. The Photo
from life, when
taken from a little
more than the side
face, throws all that
little more into the
apparent size of the
nose — which makes

an enclosure.

Many thanks
for the pamphlets; — all valuable,
& calculated to do
immense good

I am —
the ring for Wey-
mouth.

With Cordial regards
to all your family
I am ever
dear Mr Garrison.
